Your Voice Matters ...

Paterson was established in 1790 because of the power of The Great Falls. In 2014, it is the Power of Paterson's Great People - LIKE YOU - that will bring about lasting change.

1. Do you want to help work on poverty issues in the community, and solve real problems with real solutions?
2. Would you enjoy being part of a small interactive group of 12 people to explore the impact that poverty has on individuals and the community?

3. Are you tired of others telling you what to do instead of letting you choose for yourself? Are you ready to stand up for what you think is right?

4. Do you feel you have valuable information about your community that is needed by program planners and policy makers?

5. Does participating in a paid pilot program sound good to you? Would you want to help us decide if this program will work for other people in your community?

*"It's time to make a change...
I'm ready for more. I want better things
for my community and my life!"*
