

Addressing the Challenges of Poverty

2021 Annual National Conference

Scholarship Application

Purpose

Addressing the Challenges of Poverty Annual Conference is a premier event committed to furthering sustainable communities and deeply impacting issues of poverty in our communities; greatest impact will be realized when we work together.

The conference provides a forum for sharing ideas and interacting with professionals, experts, and colleagues in the field who are addressing the challenges of poverty in order to build prosperous communities. The conference is intended for all those who desire to improve the lives and education of individuals in poverty.

Scholarship Description

aha! Process will offer three scholarships to Getting Ahead and/or Investigations graduates who would like to share their experiences, explore new tools, and learn more about the latest innovations and strategies.

The scholarship will provide a complimentary registration fee. Each individual/organization will be responsible for travel, hotel, food, and other expenses.

Requirements

Applicants must be Getting Ahead or Investigations graduates.

Applicants should be comfortable with speaking in public about their Getting Ahead or Investigations experiences. Scholarship recipients may be called upon (with advance notice) to participate as members of a moderated panel or otherwise make short presentations.

Previous recipients are eligible to apply, but preference will be given to those who have not received a scholarship in the past.
