

# GETTING AHEAD WHILE GETTING OUT

## Goals

- ◆ To bring incarcerated individuals to full restoration within their communities
- ◆ To build a comprehensive model to reduce chances of recidivism
- ◆ To work beside instead of replace existing programs
- ◆ To provide a platform for incarcerated individuals to join the decision-making table

|                        |   |  |  |
|------------------------|---|--|--|
| <h3>Incarceration</h3> | <p>Improve communication and interactions between inmates and staff</p>  | <p>Build tools to provide positive solutions to personal and institutional challenges</p>  | <p>Develop motivation for change</p>                  |
| <h3>Pre-release</h3>   | <p>Create plans for release</p>                                        | <p>Identify obstacles to success</p>   | <p>Be active in taking accountability in plan</p>   |
| <h3>Post-release</h3>  | <p>Survive the critical first 72 hours</p>                             | <p>Stabilize life to reduce recidivism</p>   | <p>Confidently advocate for self and community</p>  |
