

# Ruth Weirich

**Ruth Weirich** brings to your business a thorough understanding of business practices and will help you find ways to reduce employee turnover and increase productivity—while helping you achieve your business goals. Weirich is the author of *Workplace Stability: Creating Conditions That Lead to Retention, Productivity, and Engagement in Entry-Level Workers*.

Weirich has been a management professional in the publishing industry for many years. She received her M.B.A. from Colorado State and her B.A. in Business Administration from Goshen College. With a proven track record of maximizing performance and attaining financial goals, Weirich has held responsibilities ranging from communicating with all stakeholders to preparing operating budgets to overseeing a strategic plan. Weirich is an active listener, a critical thinker, and has quick judgment and decision-making skills.

Weirich recently was president of aha! Process. Leading a small company allowed her to have a hands-on experience with all the strategic projects related to the organization’s mission.

Recently, one of Weirich’s articles was translated into Slovak, and she trained a group of Slovak NGO and business leaders on Workplace Stability.

## What are people saying about Ruth?

*“Ruth Weirich is going to make your business path easier and more successful. Ruth has the uncanny ability to help you ‘remember’ things you thought you knew but hadn’t thought of applying in a particular instance—like taking your best thinking to a higher level—then giving several more ways to capitalize on it. She brings the benefit of her broad experience with businesses of all sizes, and she knows how to make the most of every opportunity.”*

*“Ruth is organized, very good with people, and understands the systemic approaches needed to achieve a goal. Ruth understands business from the inside and the outside. She is a fabulous resource for any business that wants to increase its employee productivity.”*

## Ruth Weirich presents

- ♦ Workplace Stability

**With consultants and publications around the world, aha! Process helps communities move individuals, families, and entire neighborhoods out of poverty and into sustainability and growth.**
